Application Questions

These questions are provided for your further study and application of today's message. Thoughtfully writing out the answers to these questions and praying through the issues will help you further meditate upon God's Word in order to see the areas of your life that need change.

1. When we think of purity we immediately call to mind sexual sin. What other areas are we to pure and holy in? How is one to be pure in these other areas? Compare and contrast someone who is pure and someone who is impure.

2. Do you really want to get serious about glorifying Christ in all you say and do? Then answer the question as to the television shows you watch and the movies you attend. What shows do you watch on TV and think through if they are true, honorable, just, and pure? What are the last few movies that you have seen and explain how they have promoted more Christ-like thinking in you?

3. What are some additional thoughts and/or application from this morning's lesson? What does this passage teach you about man and about God? What must you do to change?
