Let Go and Let God

# Let Go and Let God

“If you are anxious, tense, or concerned about anything in your life, dear friend, begin now to relax, let go and let God fill your need.

No matter what seems to be missing from your life—be it a much loved person, a special place, an activity of great value or a feeling of well-being—release and let go, knowing that God is right now filling your need.

Take a deep breath. Release it slowly, telling yourself quietly: I let go, I let God fill my need.”

# Let Go and Let God

“Don’t ‘try’ so hard. God knows your heart. A sincere heart towards Him will produce results.’
