Application Questions

These questions are provided for your further study and application of today's message. Thoughtfully writing out the answers to these questions and praying through the issues will help you further meditate upon God's Word in order to see the areas of your life that need change.

1. How would you define God's glory? How is it manifested? Why is it so often repeated in the Bible?

2. The Bible says that we will be glorified when we are in heaven. How is that when Isaiah 42:8 states that God will not share His glory with another?

3. How is God glorified in your life? What do you do to bring Him honor? What do you need to change in your life in order for Him to be more glorified in your life?

4. Paul frequently uses the phrase "forever and ever" in his doxologies. Why is that? Is he worried that God won't be glorified forever? What is the emphasis when he uses that phrase? (See Phil 4:20; Rom 11:36, 16:27; Gal 1:5; Eph 3:21; 1 Tim 1:17)

5. What are some additional thoughts and/or application from this morning's lesson? What does this passage teach you about man and about God?
