# Application Questions

These questions are provided for your further study and application of today's message. Thoughtfully writing out the answers to these questions and praying through the issues will help you further meditate upon God's Word in order to see the areas of your life that need change.

1. Take time this week and read through the gospel of John (read 4 chapters a day) and note below the titles or descriptions that are used for Jesus. Notice how wide-ranging they are. Which one(s) stand out to you?

---

---

---

2. If you were to ask an unbelieving neighbor or friend to read the gospel of John and they were to ask you, "What do you want me to get out of my reading?" what would you say? What do you want them to understand as they read through John?

---

---

---

3. What is the apostle John trying to convince his readers of as he writes his gospel? What do you think he wants them to understand about Jesus?

---

---

---

4. Why is getting Jesus "right" so important? Many cults obviously believe in Jesus, how would you explain to someone who thinks that it doesn't really matter who Jesus is as long as you believe in Him to be saved that's all that matters? What verses would you use to support your answer?

---

---

---

5. What are some additional thoughts and/or application from this morning's lesson? What does this passage teach you about man and about God?
