# NEIGHBORHOOD MISSIONAL IDEAS

- Borrow, loan and share. Help each other out
- Walk outside without a to-do list. Make yourself available to anyone who needs a hand.
- Don't let a rough start get you down. Be patient and keep pursuing relationships
- Talk about your faith, but don't be discouraged if people don't react the way you want them to, especially right away.
- Speak truth, love, and make people feel welcome.
- Remember that ministering to the neighborhood doesn't have to start the day the moving truck arrives. It's never too late to get to know your neighbors.
- Pray. Pray every day for the people God has placed in your life to love.

# False Teaching is Not of Christ

# False Teaching is Not of Christ

<sup>8</sup>See to it that no one takes you captive by philosophy and empty deceit, according to human tradition, according to the elemental spirits of the world, **and not according to Christ.**

# False Teaching is Not of Christ

<sup>16</sup>Therefore let no one pass judgment on you in questions of food and drink, or with regard to a festival or a new moon or a Sabbath. <sup>17</sup> **These are a shadow of the things to come, but the substance belongs to Christ.**

# False Teaching is Not of Christ

<sup>18</sup>Let no one disqualify you, insisting on asceticism and worship of angels, going on in detail about visions, puffed up without reason by his sensuous mind, <sup>19</sup>and not holding fast to the **Head**, from whom the whole body, nourished and knit together through its joints and ligaments, grows with a growth that is from God.

# False Teaching is Not of Christ

<sup>20</sup>If with Christ you died to the elemental spirits of the world, why, as if you were still alive in the world, do you submit to regulations— <sup>21</sup> "Do not handle, Do not taste, Do not touch" <sup>22</sup>( referring to things that all perish as they are used)—according to human precepts and teachings?

<sup>23</sup>These have indeed an appearance of wisdom in promoting self-made religion and asceticism and severity to the body, but they are of no value in stopping the indulgence of the flesh.

# False Teaching is Not of Christ

<sup>18</sup>Let no one disqualify you, insisting on asceticism and worship of angels, going on in detail about visions, puffed up without reason by his sensuous mind, <sup>19</sup>and not holding fast to the **Head**, from whom the whole body, nourished and knit together through its joints and ligaments, grows with a growth that is from God.
